The Carmel Mission has been designated a National Historic Landmark by the National Park Service and is an active Roman Catholic Church. In addition to mass, the Mission hosts weddings, art and cultural events, and numerous other Carmel community events. Even though this California mission is over 200 years old, its history continues to evolve and be restored with the help of donations and a group of volunteers. We hope you will enjoy our [video of this historic landmark](#) and plan a visit to this American treasure. When planning a visit to the Carmel Mission we hope you will stay at the Carmel Mission Inn, located just 6 blocks or a short 12 minute walk from the Mission.
